PREPARING YOUR FUNERAL

In my Father's house are many dwelling places; if it were not so, I would have told you; for I go to prepare a place for you.

John 14:2

The purpose of this leaflet is to help you, as a practising Catholic, to reflect and consider how you would like your funeral to be celebrated. Leaving a record of your wishes in this way will help your loved ones when the time comes.

Thinking about your own death can be a daunting and humbling task, however, planning key parts of your funeral in advance offers an important opportunity to talk things through with your loved ones, sharing your thoughts and ideas together. By choosing readings that are special to you, particular hymns, or the liturgy, you can help those closest to you to make important decisions at a difficult time, with certainty - particularly if they are not familiar with the Catholic faith.

This document will, we hope, help to alleviating some of the uncertainties and concerns that you or your loved ones may have. Please do not hesitate to speak to your Parish Priest or Deacon if you need further help or support, they will be very happy to talk things through with you.

It is important that you give a copy of this document to a family member, close friend or the executor of your Will, once it you have completed it.
